## PROFILE

I'm Sudhir Sharma & I'm from Delhi. I'm Frontend Developer & Graphic Designer. Now I'm currently seeking roles where i can utilize my skills. Though i don't have any real life working experience. I had a lot of exposure to the IT & Software field. My goal is to build a successful career as a Frontend Developer, moving forward in my career. I have to expand my experience across different industries. I'm a good learner and team player that's all about me.
